

2018 BUSINESS SUBSCRIPTION

Tri-Community South EMS has been providing emergency medical care to the residents and businesses of Bethel Park, South Park and Upper St. Clair since 1978. Not only do we respond to medical emergencies, but we also respond to evacuations, accidents and fires. We also can provide CPR, First Aid and AED training for your business.

This year we are asking that your business support our service with a business subscription or donation to enable us to continue to provide these valuable services. Tri-Community South EMS is not tax funded by the municipalities that own and operate us. As a subscriber to Tri-Community South EMS, we agree to write off fifty (50%) percent of your employee's co-pays and deductibles.

Please support your EMS service with a subscription or donation. For your convenience, payments can be made through our website at www.tcsems.org.
