FREQUENTLY ASKED SUBSCRIPTION QUESTIONS

Q. WHY SHOULD I BECOME A SUBSCRIBER TO TRI-COMMUNITY SOUTH EMS (TCS)?

A. **Your paid subscription can save you hundreds of dollars!** Subscribers receive a **50% discount** off any out-of-pocket expenses such as deductibles and co-payments related to medically necessary emergency ambulance service provided by TCS.

No tax dollars are used to operate TCS. By becoming a subscriber, you not only show your support for your EMS service but also help TCS to continue to provide quality care to the residents of Bethel Park, South Park and Upper St. Clair.

Q. WHY DO I NEED TO SUBSCRIBE IF I HAVE HEALTH INSURANCE?

A. Most insurance companies **do not pay** 100% of total ambulance charges. Most insurance plans require that you pay a co-payment and/or deductible. **As a subscriber, you will receive a 50% discount off any of these out-of-pocket expenses related to emergency ambulance service provided by TCS.**

Q. WHAT IF I DECIDE NOT TO SUBSCRIBE?

A. You are responsible for any and all charges that your insurance does not cover including all deductibles and co-payments.

Q. AM I CHARGED ANY FEES IF AN AMBULANCE DOES NOT TRANSPORT ME TO THE HOSPITAL?

A. Yes. Since most insurance companies do not provide coverage for on-scene treatment without transport, TCS does charge a fee when on-scene treatment is provided but the patient is not transported. **Subscribers receive a 50% discount for any related fees which are not covered by insurance.**

Q. ARE LIFT ASSISTS COVERED BY MY SUBSCRIPTION?

A. No. Lift assists are not covered by your subscription.

Q. WHAT SHOULD I DO WHEN THE INSURANCE COMPANY SENDS ME A CHECK FOR MY AMBULANCE SERVICES?

A. TCS bills the patient's insurance company and some insurance companies mail the check directly to the patient. This check should be sent to Tri-Community South EMS so it can be credited for payment on your account. Failure to send the check from the insurance company will result in termination of any subscription. Any collection fees/court fees associated with an attempt to collect on the account will be the responsibility of the patient.

Q. WHAT IS NOT COVERED BY A SUBSCRIPTION?

A. Your insurance carrier may deem your emergency transport medically unnecessary. However, subscribers will receive a 50% discount on any applicable out-of-pocket expenses related to these non-covered services.

This subscription entitles the holder to unlimited Emergency Medical Service (when available) through December 31, 2020, subject to terms and conditions which are available upon request.

Tri-Community South EMS reserves the right to all available third party claims.
